VT Green Mountain Conservation Camp—Buck Lake, Woodbury, Vermont

Week-Long Basic Camp for Youth Ages 12-14

Cost: \$250

Green Mountain Conservation Camp (GMCC) offers hands-on learning experiences about fish, wildlife, ecology, botany, forestry, hunter firearm safety, outdoor first aid, and so much more! Wildlife education and outdoor skills are the focus of GMCC and the program's goal is to cultivate a caring attitude among our youth for Vermont's fish and wildlife resources. GMCC offers opportunity for hiking, canoeing, fishing, archery, .22 rifle and shotgun shooting, orienteering and other fun activities. Vermont's conservation camp program is unique because it is sponsored and directed by Fish & Wildlife Department professionals—the same people who manage the fish and wildlife resources. Working biologists, foresters, game wardens, and conservation educators teach young people about Vermont's forests, wetlands, and wildlife. Youth develop valuable life skills and gain environmental knowledge so they can continue the state's traditional rural pursuits—enjoying all aspects of the outdoor world. The program's greatest strength is connecting young people to the outdoors. **Campers must first attend a basic week before they can attend an advanced week. There are separate weeks open for boys and girls. A camper must have reached their 12th birthday before or during their camp week. No exceptions are made for age. Lamoille County Players – Children's Workshop Theatre

Ages 9 – 14

Cost: \$200/ 2 weeks

The Lamoille County Players is proud to announce the return of the Children's Theatre Workshop, which provides an opportunity for children between the ages of 9-14 to participate in a theatrical production.

The CTW will take place in Hyde Park village, at the historic Hyde Park Opera House, from 9:00 am to 3:00 pm each day. The workshop schedule will address many areas of theatre: not only auditioning for parts (and contending with the casting choices that are made) and rehearsing scenes, songs and dances, but also costuming, makeup, sets, props, and more. All activities will ultimately be working toward the final performances.

The CTW is designed to introduce children to theatre, cultivate individual talents, and afford those with varied experience the opportunity for continued growth and personal challenge. Please note that while no previous theatre experience is necessary OLCP requires that the child have an interest in being involved in the workshop! The workshop will create a supportive and safe environment for the child to try something new; we only ask that they come willing to try and willing to say "Yes"!

Each child should bring their own bag lunch, water bottle, a beach towel, several pencils, and a highlighter. All items should be marked with the child's name. Children should wear comfortable clothes that allow them to sit, lay and roll on the floor, as well as socks, tennis shoes and any dance shoes they may have that will not leave scuff marks. Everything should be able to get dirty, and never hinder movement or imagination.

Please Note: As per the Lamoille County Players mandate, all participants must be vaccinated against Covid-19 unless medically ineligible (as determined by a physician). Proof of vaccination will be required to enter the Opera House on the first day of the workshop.
